

24/7 Crane Tech Support

Grapplesaw Trucks

By BIK Boom Trucks

ABOUT US

From our humble beginnings over 30 years ago, BIK Boom Trucks has continued to grow by standing on one great principle to "Provide quality products and service at an affordable price." With this philosophy as a back bone, BIK Boom Trucks has become a paramount player in the supply of truck mounted loaders. BIK Boom Trucks continues to specialize in the Tree Care Industry. Entry level models from our TC-70(23.5ton/m) on a Non-CDL truck to the TC-170(210ton/m) multi-purpose knuckle boom that features dual purpose lifting winch and Mecanil grapplesaw. As this new technology continues to evolve, BIK will be there to provide our customers with the same great service that has allowed us to come this far.

SUPPORT

BIK offers full support across our North American Network of BIK approved service facilities ready to take care of any of your service needs. Whether your company is located in Vermont or Alaska, BIK ensures your company the highest level of quality parts and service support. BIK contracts to over 100 service associates across the USA and over 40 service associates across Canada who can take care of your maintenance, service, and warranty repair needs. BIK also provides lifetime 24/7 crane tech phone support to all BIK clients and no additional cost.

At BIK, we understand downtime can cost your company a great deal of money. Our commitment is to get your equipment up and running by whatever means necessary. Just one more reason you should consider BIK as your "one stop shop" source for all of your boom truck needs.
